The Board of Stewards of the Hyderabad Race Club resolved to publish the following Notices.

USE OF WHIPS

1. Only shock absorbing whips as approved by the Stewards shall be used by Jockeys in races and during track work.
2. No person other than a licensed jockey shall use a whip in a race or during a training session of a race horse.
3. The whip shall be used by licensed Jockeys and shall not be used other than on the quarters in either the forehand or the backhand position or down the shoulder in the backhand position. Further the whip shall not be used with the whip arm above the shoulder height.
4. The whip in a single race shall not be used more than eight times, provided the Stewards are satisfied that the use of whip in the excess of the specified number was expedient in the interest of safety.
5. Notwithstanding the above, the whip shall be used in the following manner.
 - a) Showing the horse the whip and giving time to respond before hitting it.
 - b) Using the whip in the backhand position for a reminder.
 - c) Having used the whip, giving the horse a chance to respond before using it again.
 - d) Keeping both hands on the reins when using the whip down the shoulder in the backhand position.
 - e) Using the whip in rhythm with the horse's strides and close to its side.
 - f) Swinging the whip to keep the horse running straight.
6. Contravention of the above regulations by the Jockeys will entail the following punishment.

- | | |
|--------------------------------------|--|
| a) First offence during the Meeting | Fine of Rs.1,000/- to the Jockey |
| b) Second offence during the Meeting | Fine of Rs.3,000/- to the jockey |
| c) Third offence during the Meeting | Suspension of Jockey's license for a period covering two Race days |
| d) Fourth offence during the Meeting | Withdrawal of the whip for the Meeting which may be carried forwarded to the next meeting at the discretion of the Stewards. |

7. If a horse after a race shows any evidence of improper use of the whip, it shall be treated as an offence, irrespective of the number of times the jockey has used the whip.

8. If the Stipendiary Stewards are of the opinion that a jockey has used a whip improperly, the horse will be subjected to examination/re-examination by the Veterinary Officer at any time within the period of eight hours after the race.

The Stewards further resolved that all Apprentice Jockeys/ Riding Boys are prohibited to use/carry a whip during morning track work.

Trainers are requested to ensure especially in case of Apprentice Jockeys that this is strictly adhered to.

GENERAL CONDITIONS OF AUCTION SALE OF HORSES BELONGING TO VARIOUS OWNERS BY H.R.C.

The Board of Stewards of the Hyderabad Race Club resolved that the following conditions will apply with immediate effect in respect of Auction of Horses belonging to various owners by H.R.C.

1. Subject to the right of the Board of Stewards of the Hyderabad Race Club to reject any bid, the highest bidder at or over the vendors reserve if any, shall be the purchaser.
2. Should any dispute arise between two or more bidders, the lot so disputed shall be immediately put up again and resold. The decision of the Board of Stewards of the Hyderabad Race Club in all respects shall be final.
3. No person shall, on being declared the successful bidder, advance a sum of less than (a) Rs. 1000/- minimum upto Rs. 10,000/- (b) Rs. 2000/- minimum above Rs. 10,000/- for each successful bid.
4. The purchaser shall give his name and address immediately to H.R.C. and should he fail to do so the H.R.C. may in its discretion put up the lot for resale at the risk of the Purchaser.
5. All lots shall be at the Purchaser's risk in all respects from the fall of the hammer and must be taken charge of by the purchaser at his own expense within 24 hours of being knocked down. All lots are to be settled in full before delivery is effected.
6. The purchaser shall be liable for the B.M.C. and other essential expenditure incurred in respect of the lot from the fall of the ham-

mer at the rates applicable and prevalent from time to time.

7. All lots are to be paid for in full by the highest bidder declared to be the purchaser thereof within 24 hours of the time of its having been knocked down to him at the auction. In the event of any default, it shall be open to the H.R.C. and/or the vendor to put up the animal for resale by public auction or private contract and the deficiency on such resale will have to be made good immediately by the defaulter at the first sale. The H.R.C. will neither be responsible or liable to the Vendor for deficiencies if any, on account of resale.
8. If any person shall purchase a lot and not pay for it within the time limit, nothing contained in these conditions shall prevent the H.R.C. and/or the Vendor from compelling the purchaser to pay for it by such action as the H.R.C. or the Vendor deem fit and may include warned off, apart from legal proceedings if deemed necessary.
9. Person who are currently posted in the Unpaid Forfeit List and /or disqualified persons are not entitled to bid at any auction conducted under these Rules. Should any person whose name appears either in the Unpaid Forfeit List or is a disqualified person, be the successful bidder, his bid will be summarily rejected and the lot for which he was the successful bidder be put up for re-auction without any liability devolving upon the Club.
10. If the purchaser shall fail to comply with these conditions or any of them, any money which he shall have paid to the HRC on account of his purchase shall be absolutely

forfeited to the vendor and the H.R.C. and/or the Vendor shall be at liberty to sue such purchaser, for breach of contract or at their option to resell the stock in any manner and upon such terms and conditions as the H.R.C. and/or Vendor may think fit and proper and all losses and expenses upon such resale and all damages which the H.R.C. Owners may sustain thereby shall be recoverable from the purchaser, as and for liquidated damages and it shall not be necessary to give any notice of such resale.

11. The H.R.C. reserves the right to prevent any animal from being put up for sale even after the sale having been advertised without assigning any reason whatsoever.
12. The lot will remain in the custody of the Vendor's trainer until such time as all monies have been paid by the purchaser and a delivery order is issued by the H.R.C. in respect of the lot.
13. All parties taking part in an auction sale conducted under these rules should agree to be bound by all conditions herein and in all matters of interpretation and those which are not specifically provided for above, the decision of the Board of Stewards of the Hyderabad Race Club will be final.

Secretary
Hyderabad Race Club

PROHIBITION OF BLEEDERS TO RACE

When a horse bleeds whether it is profuse or in a streak for the first time the horse would be prohibited from racing for a period of 4 weeks.

In case the horse bleeds a second time, the horse would be prohibited from racing for a period

of 8 weeks.

In case a horse bleeds for the third time, it would be prohibited from racing for a period of 12 weeks.

In case the horse bleeds during its first run after the period of 12 weeks, it would be banned from racing.

In case the horse is laid off from racing for a period of one year or more after bleeding either first, second or third time, if the horse subsequently bleeds during the first run thereafter, it will be considered as first time bleeder.

However, if a horse runs after a lay off from racing of a period of one year or more and does not bleed in its first run but does bleed in its subsequent runs, it would then be treated as if it were a first time bleeder.

NOTICE

1. Any person licensed to train horses under H.R.C. Rules of Racing whose racing headquarters in the opinion of the Stewards of the Club is in Hyderabad, will be issued with an 'A' Trainer's Licence.

2. Any person licensed to train horses under H.R.C. Rules of Racing, but whose racing

headquarters is not normally in Hyderabad will be issued with a 'B' Trainer's Licence.

3. Owners of horses in the charge of Trainers holding an 'A' Licence under H.R.C. Rules of Racing are informed that the minimum Basic Maintenance Cost is fixed at Rs. 9,000/- (Rupees Nine Thousand Only) per horse per month. The amount must be paid to the Hyderabad Race Club not later than the 25th of each month in respect of the Maintenance Cost for that month. The Hyderabad Race Club will in turn pay such fees to the Trainer concerned.

4. In the event of the Basic Maintenance Cost not being received by the 25th of the month, a reminder will be sent to the defaulting owner immediately thereafter giving such owner time up to the 20th of the next month to pay the Basic Maintenance Cost dues.

5. These regulations will be strictly enforced and the first offence by an owner for not paying the Basic Maintenance Cost in time will be termed as a warning to such an owner. 15% of all stakes earned by horses of owners who default on more than one occasion in payment of Basic Maintenance Cost by the scheduled date will be transferred from the owner's Racing Account and credited to his B.M.C. account. This amount will be held as deposit and adjusted towards the owners B.M.C. liability in the months of March, April, May and June of the coming season. Owners who have defaulted on more than one occasion the payment of B.M.C. will be required to deposit sufficient amount to meet B.M.C. requirements during the months of March, April, May and June failing which the names of such owners will be placed on B.M.C. Ban List. The Stewards reserve the right to accept entries of such owners unless 3 months deposit of B.M.C. as advance is deposited with the Club. In the event of repeated defaults in this respect, report will be made to the Stewards who may refuse or cancel the entries of the horses in such ownership under the Rules of Hyderabad Race Club for such period as may be determined by them.

6. In the case of partnership, each partner will be required to pay a proportionate amount into his account to cover his share of the Basic Maintenance cost due, unless one partner undertakes the full obligation, in which case notice to this effect must be given to the Club in writing. However, in the event of one partner failing to pay his share of the Basic Maintenance cost, the restrictions entailed

with regard to the non-payment of Basic Maintenance Cost will apply in respect of all horses owned by him (defaulting partnership as also those horses in his sole ownership) However, in such cases, the restrictions entailed with regard to the non-payment of Basic Maintenance Cost will not apply to the other horses in the sole or part ownership of the other partner who has paid his share of the Basic Maintenance cost .

However any excess amounts deducted from winning stakes of defaulting owners and held by the Club of over a period of four months B.M.C. be refunded.

7. An owner who wishes to employ a Trainer holding an 'A' Licence on a salary basis and who himself undertakes to meet all bills connected with his horses will require to obtain in writing the sanction of the Stewards of Hyderabad Race Club.

8. At such time as an owner shall place a registered horse in the charge of a Trainer holding an 'A' Licence he will be required to furnish the Club, with an authority empowering the Club to pay his Trainer the amount due each month and debit his account so long as the horse remains in the charge of that Trainer.

9. (a) It will be the owner's personal responsibility to see that sufficient balance is maintained in his Racing Account to enable B.M.C. to be paid throughout regularly each month. Owners are advised in their own interests as well as to facilitate and minimise the work of the Club to maintain and deposit sufficient money to cover atleast minimum two months "Basic Maintenance cost".

(b) In the event of an owner not having sufficient funds in his B.M.C. account to meet his liabilities, an amount equivalent to one month/s B.M.C. Liability of the owner will be transferred by the Club from his racing account to his B.M.C.account before any withdrawals are entertained.

10. In the event of a horse being transferred from one Trainer to another, the date of transfer must be notified in writing by the respective Trainers to the Hyderabad Race Club. No responsibility will be accepted for mispayments resulting from failure to comply with this instruction.

11. Trainers holding an 'A' Licence will not be eligible to charge extras for the upkeep of a horse unless specifically agreed to by the owner and lodged in writing with the Hyderabad Race Club.

12. The Stewards, Hyderabad Race Club, have ruled that no horse for which the Basic Maintenance cost for the preceeding month remains unpaid will be allowed to start in any race.

13. Owners failing to comply with the above instructions will render themselves liable to action under Rule 41 of the H.R.C. Rules of Racing in respect of Entries, Registration of Sales, Transfers, Leases, etc.

14. Trainers holding an 'A' Licence under the H.R.C. Rules of Racing must submit their bills for the Basic Maintenance cost to the Hyderabad Race Club, on or before the 24th of each month.

**By Order of the Board of Stewards,
Secretary
Hyderabad Race Club.**

BLINKERS AND HOOD

Blinkers and Hood may not be used in races unless permission has first been obtained. Thereafter, once blinkers and hood (of an approved design) have been used on a horse the equipment must be continued to be used on that horse until permission for discontinuance has been granted. Intermittent use of such equipment will not be permitted.

Horses which have raced in Blinkers and Hood under the Rules of any of the other Turf Authorities of India will continue to do so when racing under Hyderabad Race Club rules.

Applications for the use or discontinuance of this equipment should be made in writing to the Secretary, Hyderabad Race Club, not later than the date and time published for final forfeits.

PASSPORTS FOR HORSES

1. With effect from 1st January, 1981, all race horses will have a passport.
2. The passport will be issued by the Turf Authority which registers the race horse initially.
3. When a horse is sent to race at centre under the jurisdiction of another Turf Authority, the passport will be handed over to the Owner/Trainer for onward transmission and it will be his responsibility to hand over the same to the Turf Authority under whose jurisdiction the horse is going to race.
4. When a horse is retired to stud or goes out of racing the passport will be handed over to the Owner or to the person authorised by him to receive it.

Use of Martingales and Long Cheek Piece

Trainers are informed that the use of standing Martingales and Long Cheek Pieces in races is prohibited.

Change of Name of Horses

A registered name may be changed with the permission or by the direction of the Stewards of the club, but not otherwise. The Stewards of the club have further decided that such change of the name of a horse will be permitted not more than once during its racing career.

The fee for change of name is Rs.3000/- (Rupees Three Thousand) only. W.e.f. 1-12-2008.

Naming of Horses

The Board of Stewards at their meeting held on 11.12.2000 resolved to adopt the following norms for registration of names of Horses.

I. The registration of a name for a horse can only be done by or with approval of the competent Authority of its country of birth

For a horse born abroad, the application to register a name must be made through the relevant authority of the country where the export certificate is lodged.

The change of a name already registered and published can only be requested from the Authority which originally registered that name.

II. An international List of protected Name is established according to the rules fixed by the executive Council of the International Federation (Appendix B)

This list includes the names of famous stallions and mares and of the best race horses of the countries participating in the agreement.

All countries concerned can complete an international form in English and French (Appendix 7) to request the protection of a name which has become famous in their country in flat or jumping races.

The reasons for protection must be supplied.

III. Concerning registered and not protected, the following guidelines will form the basis upon which Authorities will establish a period during which registered names will not be reused

- a) In the case of stallions, 15 years after death or 15 years after the last recorded year in which they covered mares or at 35 years of age (whichever is the soonest).
- b) In the case of broodmares, 10 years after their death or 10 years after the last recorded year in which they were covered or produced a foal, or at 25 years of age.
- c) In the case of all other horses, 5 years after their death or at 20 years of age (whichever is the soonest).

IV. Names cannot be accepted if they are already registered subject to the conditions on re-use of names set out about, and if:

1. They appear on the International List of Protected Names,
2. They have more than eighteen characters, including signs or spaces
3. They are the name of a public person, without that person's or their family's permission.
4. They are followed by numbers.
5. They are made up entirely of or include initials, figures, hyphens, full stops, commas, signs, exclamation marks, inverted commas,

forward or back slash, colon and semi colon.

6. Their meaning, pronunciation or spelling may be thought obscene or insulting.
 7. In spelling they are identical to and in pronunciation, identical or similar to a protected name of a name registered for a horse whose year of foaling is within ten years of that of the horse in question.
 8. They start with another sign than a letter.
1. No horse shall be entered for any race unless he has been named and registered.

The following names will NOT be available for registration.

2. Names of winners of Classic Races in India.

Regulation in respect of Starting from Stalls

1. No horse shall be allowed to start in a race except from a Starting Stall. The practice of starting horse from outside the stalls is prohibited.

2. A horse desirous of being started in a race under the Rules of H.R.C. will have to hold a Starting Stall Certificate from H.R.C., R.C.T.C., R.W.I.T.C., M.R.C. or B.T.C. to enable such horse to become eligible to start in a race. No horse without a Starting Stall Certificate as above stated will be permitted to start in a race.

3. Owners and Trainers who intend to send their horses to race under the Rules of the H.R.C. from other racing centres must ensure in their own interests, that the Starting Stall Certificates of their horses are lodged with the registered office of the H.R.C. as much in advance as possible.

4. If a horse with a Starting Stall Certificate refuses to be stalled at the start on a race day, such horse will not be allowed to start in that race and will forfeit its certificate. However, the horse would be eligible to regain such certificate any time thereafter as soon as it shows the necessary improvement and passes its test.

5. The field in a race will be deemed to have come under Starter's Orders when the signal has been given by the Starters by means of a white flag, when he has finally dispatched the field.

6. In case of a "false start", the field will be recalled by means of a Recall Flag and/or a siren.

7. When a horse is brought to the practice starting gate either to earn an initial Starting Stall Certificate or for regaining a forfeited certificate, the Trainer of such a horse must be present at such time and place, unless he is unable to be present due to illness or other urgent reason, in which case such a Trainer must send to the practice gate his duly authorised representative. Trainers are advised that on such occasions the horses should be ridden by jockeys.

Treatment of all Race Horses must be done only by the Club's Veterinary Officer. No Private Practitioner will be Permitted to treat any Race

Horse.

Trainers can only attend to minor ailments such as application of antiphlogestine, white lotion and cold water bandage, application of accepted blisters and minor dressings. Only such of those oral medications given by the Equine Hospital for ailing animals can be administered. All these are to be recorded in the treatment book provided by the Club. No other Medication of any sort should be given by the Trainer. Under no circumstances will Trainer use a syringe and needle for administration of medicines or others materials.

Whenever any treatment is given at the Equine Hospital, the Trainer or his representative should ascertain that necessary entries of it are made in the Treatment Recording Book.

Neurectomy

Owners and Trainers are notified that no horse on whom the operation of Neurectomy (unnerving) has been performed will be permitted to race or work on the Hyderabad Race Course or Training Tracks.

It shall be the duty of every licensed Trainer to report to the Club Authorities the name of any horse in his charge which has been the subject of any such operation.

Nasal Dialators/Strips

The Stewards of the Hyderabad Race Club instruct the Owners and Trainers that Nasal Dialators/Strips are prohibited to be used on any horse/s in a race under the H.R.C., Rules of Racing.

Tracheotomy

Tracheotomy is forbidden in race horses

Tongue Straps

It is notified that the Stewards have decided to prohibit intermittent use of Tongue straps on horses

taking part in races under H.R.C. Rules of Racing.

Application for the use or discontinuance of this equipment or any other bit attachment should ordinarily be made in writing to the Secretary of the Meeting atleast two days prior to the races in which above is intended to be used.

The Stipendiary Stewards may at their discretion grant or refuse such permission.

Trainers' Lots

No Trainer shall have in his training a horse/s in which another Trainer, training at the same centre has an interest either directly or indirectly.

The Board of Stewards have resolved to amend Rule 19 of Rules of Betting under Appendix "E" as under.

Rule 19

In all ante-post betting, place bets are 1,2,3. In betting other than ante-post betting, place bets shall be 1,2,3, when 8 or more horses are declared to start and 1,2, when 4 or less than 8 horses are declared to start. In the event of requisite number of starters as above being declared to start and one or more not coming under starter's orders, place bets shall still be 1,2,3 or 1,2, as the case may be, provided such bets shall be subject to any deductions directed under Rules 3(b) in the case of a horse or horses being declared a non-starter or non-starters under Rule 3(a).

Trainer and Jockeys are hereby notified that riotous behaviour, intemperance or the improper conduct although not occurring on a Race Course, will be taken cognizance of by the Stewards of the Club.

Intimation of Horses being Gelded

Owners and Trainers are hereby notified that they must inform the Club when horses under their charge have been Gelded.

Registration of Horses' Names and Partnerships

The attention of Secretaries of Race Meeting and Owners and Trainers is drawn to Rules 69 to 72 regarding "Registration of horses Names", and to Rule 99 regarding "Partnership".

Registration of Horses

The Stewards, Hyderabad Race Club, have decided to reciprocate with the Stewards of R.C.T.C., R.W.I.T.C. Ltd., M.R.C.; and B.T.C. Ltd, with references to registration of horses. Horses which have been registered under the R.C.T.C., R.W.I.T.C.Ltd., Madras Races Club, or B.T.C. Rules need not therefore be registered under the H.R.C. Rules.

Definition of Indian Jockey

For the purpose of riding under the Rules of Racing of the Hyderabad Race Club, an "Indian" Jockey is a person of India Nationality who holds a Jockey's Licence under the Rules of this Club.

Agreements

It is notified that disputes arising out of agreements between owners, Trainers and Jockeys will not be adjudicated upon by the Stewards of the Club unless such agreements have been registered at the office of the Hyderabad Race Club and contain a clause to the effect that the parties concerned are agreeable to abide by the decision of the Stewards of the Club in case of any dispute arising out of the agreement.

Trainer's Licences

Trainers are notified that telegraphic applications for licences or renewal of licences will not be entertained. Applications for licences under Rule 113 must be made by letter and must be accompanied, with a list of horses under the charge of the applicant with the names of the Owners together with a licence fee and clearance from the Recognised Club, or Clubs in the Country in which the applicant last held a Trainer's licence.

In the event of a licence being granted to the applicant, he must undertake:-

1. To observe and be bound by the Rules of Racing, Track Rules and Notices published in the Racing Calendar from time to time.
2. To accept the procedure to be laid down from time to time by the Stewards of the Club for the holding of enquiries and to be bound by / and observe all the orders of the Stewards of the Club, whose decisions shall be conclusive and final.
3. To take the full responsibility for the horses in his charge and to be responsible to the stewards of the Club for any irregularities or breaches in the Rules, Regulations or Notice in connection with any of the horses in his charge.

4. If a licenced Trainer shall subsequently take a horse other than those specified in the application for a licence, from any source, to notify the fact, with all necessary particulars to the Club at once, stating the source from which he has taken over the horse.

Apprentice Trainer's Licences

Licence has been granted to the following App. Trainer for the season 2012/13.

Name of the App. Trainer **Name of the Trainer**

Mr. Waseem Ahmed Shaikh **Mr.Sk.Kassam**

'Trainers' and 'Jockeys' Leave of Absence

All trainers and jockeys shall first obtain permission from the Stipendiary Stewards when they wish to leave station during the Racing Season.

Trainers Reporting of Arrival and Departure of Horses

Any trainer taking a horse owned by a registered owner or owners to train which was not included on his original application for a licence to train, must notify the Secretary, Hyderabad Race Club of its arrival or departure before further entries are made or the horse runs in a race.

Bits

The only bit normally permitted to be used in races is the single jointed snaffle bit. Permission of the Stipendiary Stewards must first be obtained for any other type of bit or special bridling.

Sharp Spurs

Trainers and Jockeys are warned that the practice of Jockeys weighing out with or using sharp spurs or the excessive use of any spurs is not allowed. Any Jockey contravening this orders will be severely dealt with and any Trainer who allows or encourages this practice will be held equally responsible.

Shoeing

The Stewards, Hyderabad Race Club, give notice to Trainers that no horse shall be allowed to run in any race under these Rules unless they conform to the following:-

- a) Weight of a shoe/plate not to exceed 105 grams (420 gms for a set of four)
- b) Shoes known as "American toe-clipped" will not be used.
- c) Any other type of Shoes/Plates having sharp flanges will not be used.
- d) All nail heads should be flushed with the surface of the shoe/plate. In case of horse/s with bad feet, surgical or anyother type of shoes may be used with the prior per mission of the Club's Veterinary Officer. Once such shoes are used, the club's Veterinary Officer's permission should be obtained before reverting to the standard pattern of shoes/Plates.

Any infringement of these orders will render a trainer liable to severe penalty.

Bandages

Owners and Trainers are hereby notified that the Stewards of the Hyderabad Race Club consider the practice of using Bandages on the hind legs of horses in races as undesirable. Before such Bandages can be used, permission of the Stipendiary Stewards must be obtained.

Unruly Horses

Owners and Trainers are advised that the Stewards have instructed the Official Starter not to permit the unruly behaviour of a horse at the gate to delay a start to the prejudice of the rest of the field.

Unsound Horses

Owing to the danger and cruelty involved,Trainers or persons starting horses, which in the opinion of the Stewards are not in a sufficiently sound or suitable state to take part in a races are warned that they will be held responsible for doing so.

Registration of Farriers

Trainers are hereby notified that they must register their Farriers annually, Unlicensed Farriers will not be permitted to work where the Hyderabad Race Club Rules are in force.

The following Farriers have been registered for the season 2012 – 2013

STABLE FARRIER	EMPLOYER
Mr. Md. Abu Talib	Tr.L.V.R.Deshmukh
Mr. Sundeep Paswan	Tr.L.D'Silva
Mr. Uchitram Paswan	Tr. S.Habeebullah
Mr. Ganesh Paswan	Tr. D. Netto
Mr.Shiv Kumar Paswan	Tr. K.V. Srinivas
Mr.Margoob Alam	Tr.KSVPrasadRaju
Mr. Mohammed Abdul Sameer	Tr. K.Sathesh

Bleeding of Horses

If a horse bleeds during or following a race or training gallops, the fact of such bleeding shall be reported by the trainer without delay to the Stipendiary Stewards of the Meeting who, after having the horse examined by the Club's Veterinary Officer, may recommend to the Stewards of the Meeting that such horse be not started in a race for such period as may be deemed fit.

Owners Interest in Management of Horses

It has come to notice of the Stewards of the Club that numerous owners of race horses take little or no interest in the management of their horses and leave them entirely in the hands of their trainers.

The Stewards of the Club consider it essential to the conduct of clean racing that owners should interest themselves in the management of all horses owned or partly owned by them. No owner can completely divest himself of his joint responsibility with his trainers and jockeys for the running of his horses, and the Stewards of the Club hereby gives notice that in the event of any case of neglect of his duty coming to their notice, they may refuse to accept any entries from such persons.

Riding Out of Horses

Jockeys are reminded that all horses must be ridden out, not necessarily under the whip, to the satisfaction of the Stewards.

The Stewards will take action against jockeys who ease their horses out of a place when they find they are unable to win. Horses are not be prevented from running on into places by jockeys dropping their hands before reaching the Winning Post.

Reckless Riding

The Stewards of the Hyderabad Race Club, warn all jockeys that reckless, careless and erratic riding will be dealt with severely.

PADDOCK

The Paddock is reserved only for Stewards, Officials and for owners, Trainers, Jockeys and attendants with horses actually running in the race.

The Stewards of the Hyderabad Race Club have decided that under the exemption Clause of Rule 144(c) of the H.R.C. Rules of Racing, applicants for horses to leave the paddock or to proceed to the

post other than in the normal manner, should ordinarily be made in writing to the Secretary of the Meeting on the day previous to the race.

Photo Finish

a) Trainers and Jockeys are hereby notified that in the event of the Judge calling for a photo-finish for the 1st place the horses involved in the photo finish instead of proceeding towards the unsaddling enclosure, shall parade round on the track near the entrance gate and the riders concerned will not dismount until called to their respective unsaddling stalls in accordance with the ultimate official placings declared by the Judges. The remainder of the field will, however, proceed towards the unsaddling enclosure and dismount in the normal way.

In the case of a photo-finish for the 2nd, 3rd and 4th places, the horses involved in the photo finish will be ridden, as usual, to the unsaddling enclosure and will proceed to a place set apart for such horses. The riders concerned, however will not dismount until called to their respective unsaddling Stalls, in accordance with the ultimate official placings. The remainder of the field will dismount in the normal way.

b) In connection with the above, the attention of Trainers, Jockeys and all persons concerned is drawn to Rule 178 (b) reading as follows for strict observances:-

“If a jockey or rider does not weigh in or if he touches (except accidentally) any person or thing other than his own equipment, after starting and before weighing in, he may be fined or suspended from riding at the discretion of the Stewards, and the horse he rode may be disqualified for that races unless he can satisfy the Stewards

that he was justified by extraordinary circumstance. Provided that any portion of his equipments that he may have dropped after passing the winning post may be handed to him by the Clerk of the Course or an official of the club”.

c) The horse involved in a photo finish will be announced over the Public Address systems immediately after the running of the race.

Declaration to Start

The Stewards of the Hyderabad Race Club have resolved that with effect from 1st April 1977, all horses accepting i.e., left in after the time fixed for final forfeits of the race must be declared to start unless prior permission for their withdrawal has been obtained from the Stewards.

Horses placed by the Judges

Owners and Trainers are notified that horses placed by the Judges are not to be removed from the “Weighing” Enclosure until the White Cone is hoisted by order of the Clerk of the Scales.

Regulations Governing Accident Fund Benefits for Riding Boys

1. Riding Boys are required to be licensed annually with the Club by the Trainers employing them before they are permitted to ride work. Any Riding Boys not so licensed will not qualify for any assistance from the Club's Accident Fund.
 2. A licence fee of Rs.10/- will be levied and the Riding Boy will be provided by the Club with a book, in which he will enter details of his employment each Season giving the name(s) of the Trainer or Trainers who employed him. These Trainers will sign such entries in token of the accuracy of the same.
-

3. These books containing the Riding Boy's records must be lodged for inspection annually with the Secretary of the club. The obligation to have entries in them kept fully up-to-date rests with the Riding Boys concerned, as will be with the help of these books that the Stewards of the Club will be enabled to consider individual cases when applications are made for assistance. Any inaccuracies in entries may invalidate claims.

4. No pensions will be paid. The gratuity may take the form of a subsistence allowance payable for the period or the period during which the applicant is unfit for work being to temporary disablement not caused by his own carelessness or alternatively be in the form of lump sum in the event of permanent disablement. All payments will be made or withheld, reduced, increased or discontinued at the absolute discretion of the Stewards of the Club.

5. Application to be valid must be made through and recommended by the Secretaries of the Meetings where the Riding Boys are employed and requests for assistance can be considered only if the accident is sustained when riding work connected with racing under the Rules of the Hyderabad Race Club.

6. For temporary disablement preventing the Riding Boy from performing routine and other duties a weekly allowance will be granted at the discretion of the Stewards of the Club. It will be necessary for the Riding boy to produce a certificate from the Medical Officer of the Race Meeting at which the accident occurs, certifying that the applicant is incapacitated for duty and stating the probable period of disablement. This certificate is to be attached to the application.

7. For permanent disablement or death, the allowance to the Riding Boy in the event of the former, or to his widow, children or other dependent in the event of the latter, will depend on the nature and circumstances of each case.

RIDING BOY'S LICENCES

Trainers are reminded that they must have their Riding Boy's Licences renewed annually. Unlicensed Riding Boys will not be permitted to exercise horses on any course where the Hyderabad Race Club Rules are in force.

Running of Horses in Unfit State

The Stewards, H.R.C. view with disfavour the running of horses which are not in proper state to take part in racing.

Owners and Trainers of such horses are warned that the Stewards may have to take action in such cases.

Bridles and Saddlery

It is hereby notified that Trainers are responsible for the condition of their racing bridles and Jockeys are responsible for the fit condition of the Saddle, which he uses comprising of the saddle itself, the girth, the surcingle, the stirrup irons and leather or webs as also the weight cloth, martingales and rings.

Breakage or Loss of Equipment

Jockeys holding licences under Hyderabad Race Club Rules of Racing are hereby notified that in the event of any accident occurring due to their saddlery or equipment when riding in a race including the breaking or dropping of an iron or leather, the loss of a whip or any other part of their equipment when riding in a race, they have to notify the same

immediately to the Clerk of the Scales after they return to the Scales.

Changes of Ownership

Notice is hereby given for every change of ownership occurring after a horse has been entered for a race and must be notified in writing to the Secretary of the Meeting prior to the race being run. Failure to notify as above will render the horse liable to disqualification and the person responsible, to a fine or such other penalty that the Stewards may think fit to impose.

Identification of Horses

It is hereby notified that before a horse is allowed to start in a race for the first time under the H.R.C. Rules of Racing, such horse must be produced for identification before the Official Veterinarian at the Meeting .

Accidents and Compensation

Applications for benefits from the above scheme must be submitted to the Secretary of the Club, through the Stewards of the race meeting at which an accident occurs, as referred to in Para 2 (iv) of Appendix "D" of the Rules of Racing of the Club, within 14 days from the conclusion of Race Meeting. In all cases the application must give full details of the accident and how it occurred and must be accompanied by a medical certificate from a duly qualified Surgeon, stating the nature of the injury and the probable duration of disability.

One Eyed or Blind Horses

a) A horse blind in both eyes or with defective vision in both eyes will not be permitted to race under H.R.C. Rules of Racing.

b) A horse with one blind eye may race as long as

the other eye is normal and provided that, in the opinion of the Stewards, such an animal does not constitute a danger to the field.

Authorised Agent

"Authorised Agent " means an agent, appointed by a document signed by the owner or his constituted attorney and lodged at the office of the Club in Hyderabad or if for use at a single meeting only, lodged with the Secretary of that meeting, and includes a sub-agent, if authority to appoint a sub-agent is conferred by the documents. An Authorised Agent can act for an owner in all matters contained in these Rules. The documents appointing the Authorised Agent will remain valid till such time that the same is revoked by the owner in writing and such revocation shall have been lodged at the office of the Club in Hyderabad. In the event the document appointing the Authorised Agent is revoked by the Owner, the authority appointing the sub-agent shall also stand revoked automatically and no notice need be given to revoke the appointment of the sub-agent.

The Stewards of the Hyderabad Race Club have decided to publish in the Racing Calendar the names of those owners who have Authorised Agents together with the names of such agents.

It should be noted that application in respect of the aboves must be approved and registered before the authority shall comes into force. APPENDIX "F"

**RULES RELATING TO DEFAULTERS
 RULES AS TO DEFAULTERS FOR BETS**

1. A person may be reported to the Stewards of the Club as defaulter for bets by the Stewards of the meeting at which the default occurred , or by a person who has been short paid on account of the default or to whom the money for the bet is due.
 2. In reporting default, the full name, title, profession and address of the defaulter must be given. The report must be accompanied, in the case of a lottery, by a full statement of the account of the defaulter, and, in the case of a bet by full particulars of such bet and of the time and place when it was made, and in either case, by any documents bearing on the case.
 3. The Stewards of the Club may, on receipt of such report, call upon the defaulter to make good his default by remitting to the Secretary of the Club, within specified time, the amount due, and his failing to do so, or to submit
-

a satisfactory explanation of the cause of his failure or omission, may declare him to be defaulter.

4. A list of declared defaulters shall be kept by the Secretary of the Club, and a copy of this list will be forwarded to the Secretaries of the race meetings at such times as the Stewards of the Club may direct.

NOTICE

HYDERABAD RACE CLUB

ALL OWNERS/TRAINERS AND EQUINE HOSPITAL VETERINARIANS: REGARDING RANDOM TESTING FOR ANABOLIC STEROIDS & SEX HORMONES

The Stewards of the Hyderabad Race Club hereby notify to all Owners and / or Trainers holding a license under the rules of this Club and also the Veterinarians employed at the Race Club under the rules of this Club that the following regulations and procedures will come into force with effect from 1st May 2003.

1. There is a complete restriction on the use of Anabolic Steroids and Sex Hormones as also the possession thereof by any person / owner / trainer / Veterinarians holding a license under the rules of H.R.C.
2. Anabolic Steroids and Sex Hormones shall not be used on racehorses other than for therapeutic use. If detected during random urine samples collected under the Club's rules (unless administered for therapeutic purpose by the Club's official Veterinarians and duly notified to the Sr. Veterinary Officer) shall attract a penalty as per the norms provided in the racing calendar from time to time for class 3 drug which presently are suspension of 30 days-1 year, non-grant of trainer's license, fine of Rs.10,000/- and such other disabilities as may be decided by the Stewards from time to time.
3. The Equine Hospital Official Veterinarians will maintain all information on purchase of Anabolic Steroids and Sex Hormones, name of trainer/horse/ dose administered etc., and shall inform the Sr. Veterinary Officer within 24 hours of administration. If the said Veterinarian has

failed to provide the information then the Stewards would consider it as a malpractice on his part and act against him under the Rules.

4. Random samples will be collected from two horses every month, from any two trainers, training under the H.R.C. Rules by lots drawn for the name of the Trainer and horses to be sampled, ½ an hour before the first race. The trainers will be required to present the horses for sampling just like any other runner sampled for the day. The procedure for sampling will remain as prescribing for runners.
 5. The medication log book of the trainer and Club's official Veterinarians should clearly mention any administration of Anabolic Steroids and Sex Hormones and the therapeutic reason for administration, including dosage
 6. The random samples will be sent to any of the following Analytical Laboratories
 - a) Equine Forensic Unit C.V.R.L, Dubai or
 - b) The Hong Kong Jockey Club Lab., or
 - c) The Federation Nationale Des Courses. Lab, France. or
 - d) Any other Laboratory approved by the Stewards of the H.R.C. from time to time and which are capable for testing Anabolic Steroids and Sex Hormones
 7. Should a horse test positive on random sample for anabolic steroids/sex hormones, the horse shall be allowed to race only after subsequent sample/s is/are declared negative. The cost of these subsequent testing/s shall be borne by the concerned owner/trainer.
 8. Private samples of the horses treated therapeutically with anabolic steroids/sex Hormones by the Club's official veterinarians of the H.R.C. may be taken by the official veterinarians of the H.R.C. at the request of owner/trainer, where conditions permit, and the procedures for the same will be as per racing and antidoping control
-

of the calendar notifications. Even if such private sample comes clear but the same horse returns positive for anabolic steroids and/or sex hormones in any subsequent post race sample, the trainer of such horse will be liable for regulatory action as notified in the calendar notification and cannot plead the result of the private samples as a mitigating circumstance. The cost of private sample analysis shall be borne by the concerned owner/trainer.

9. All other rules regarding confirmatory analysis, reference laboratory, witnessing analysis and procedures to be followed in medication enquiries will remain the same as per the relevant calendar notification of H.R.C. issued from time to time.

NOTICE

The Stewards of the Club, HRC at their meeting held on Monday, July 19, 2004 have resolved to adopt and implement with effect from the Hyderabad Monsoon Races 2004 the revised Rules of Medication as under.

MEDICATION AND TREATMENT OF HORSES IN TRAINING AND RACING AND ANTI-DOPING CONTROL:
In supersession of all previous calendar notifications regarding medication, Treatment and Anti-Doping Control Rules, the Stewards of the Hyderabad Race Club

hereby notify all owners, and /or trainers holding licenses under the Rules of this club as also Veterinarians practising on race horses under the Rules of the Club that the following regulations and procedures will come into force with immediate effect :-

- I. No horse shall, after being declared to start, show the presence in its tissues, body fluids or excreta, in any quantity of any substance which is a prohibited substance.
- II. Prohibited substance means a substance originating externally whether or not it is endogenous to the horse and which falls in any of the categories of prohibited substances published hereunder. Substances include the metabolites of that substance and the isomer of the substance and the isomer of a metabolite. The finding of any scientific indicator of administration or other exposure to a prohibited substance is also equivalent to the finding of the substance. The effect/efficacy of the prohibited substance on the performance of the horse is irrelevant to the implementation of these Rules.
- III. LIST OF CATEGORIES OF PROHIBITED SUBSTANCES CAPABLE AT ANY TIME OF ACTING ON ONE OR MORE OF THE FOLLOWING MAMMALIAN BODY SYSTEMS;

- (a) Substances acting on the nervous system.
- (b) Substances acting on the cardiovascular system.
- (c) Substances acting on the respiratory system.
- (d) Substances acting on the digestive system.
- (e) Substances acting on the urinary system.
- (f) Substances acting on the reproductive system.
- (g) Substances acting on the musculoskeletal system.

- (h) Substances acting on the blood system.
- (i) Substances acting on the immune system other than those in licensed vaccines.
- (j) Substances acting on the endocrine system.
- (k) Endocrine secretions and their synthetic counterparts.
- (l) Masking agents.

Exceptions to Rule No.1, are applicable only to substances having THRESHOLD levels as specified below :

- | | |
|-----------------------------|---|
| 1. Arsenic | 0.3 Microgram Per Millilitre in urine |
| 2. Dimethyl Sulphoxide | 15 Micrograms per millilitre in urine or 1Microgramper millilitre in Plasma. |
| 3. Hydrocortisone | 1 Microgram per millilitre in urine. |
| 4. Salicylic acid | 750 Micrograms per millilitre in urine or 6.5 Micrograms per millilitre in Plasma. |
| 5. Estradiol in | The mass of free and conjugated 5a - estrane - 3b , 7a-diol to the mass of freeand conjugated 5(10)-estrane 3b 17a-diol in urine from male horses (other than geldings)at a ratio of 1. |
| 6. Theobromine | 2 Micrograms per millilitre in urine |
| 7. Testosterone | 0.02Microgram free and conjugated Testosterone per millilitre in urine from geldings or 0.055microgram free and conjugated Testosterone per millilitre in urine from fillies and mares (unless in foal). |
| 8. Available Carbon-dioxide | 36 Millimoles per litre in Plasma |

9. Methoxytyramine 4 micrograms free and conjugated 3 methoxytyramine per millilitre in urine.
10. Boldenone 0.015 microgram free and conjugated boldenone per milliliter in urine from male horses (other than geldings)

Foot Note : The conjugated substance is the substance that can be liberated from conjugates.

In such cases, the sample will be declared positive only if the level of the substance exceeds the aforesaid threshold levels. For all other prohibited substances, no threshold levels are acceptable.

These will be regularly updated by the Stewards of the Club. The new threshold levels will only apply after the Stewards of the Club have duly ratified and notified the changes.

- V. Biological samples are taken systematically. They may however, at the discretion of the Stewards also be taken either before or after the race.
- VI. Only Veterinarians duly approved by the Stewards are permitted to administer medicines. Except such Veterinarians, it is forbidden for any other person to bring a syringe or needle into the stable where race horses are sheltered.
- VII. With regard to horses coming from outstation to race at any centre, it will be necessary for the trainer/s of such horse/s to lodge with the club in advance of such animals racing in races, an affidavit detailing all the treatment given to the runners a week preceeding the race day.
- VIII. The aforesaid Rule VII does not in any way derogate from the absolute nature of the prohibition in Rule I. It is clarified that on finding of a positive result, the horse shall be disqualified from that race.

IX. Trainers are warned that if it is proved to the satisfaction of the Stewards that there has been any infringement of the above instructions, resulting in contravention of this notification, the horse will not be allowed to race and the trainer concerned will be liable to be treated in the same way as if proof has been forthcoming that he had administered a prohibited substance.

X. The trainer is always responsible for the protection and security of the horse in his care. Trainers are warned that they will be held responsible if an examination of a horse, declared to start in a race, results in the finding of any prohibited substances.

XI. The penalty attracted in case of infringement of these Rules and detection of prohibited substances (in the absence of mitigating circumstances) is as under.

The Stewards, or the Stewards of the Club, as the case may be, on recommendation from the Stewards or otherwise may impose a penalty in excess of what is provided for in Rule XI herein above in their absolute discretion.

CONFIRMATORY ANALYSIS RULES IN RESPECT OF THE URINE SAMPLES SENT FOR DOPE TESTING

- 1. Upon finding a prohibited substance in the urine sample by the primary laboratory, a confirmatory analysis may be carried out at the reference laboratory at the option and cost of the Owner or Trainer concerned and signified in writing to the Club.
 - 1.1 " Primary Laboratory " for the purpose of these rules shall mean a laboratory to which urine samples of a horse is sent in the first instance.
 - 1.2 " Reference Laboratory " for the purpose of these rules shall mean laboratory that receives the spilt samples sent by the Club for confirmatory analysis.
 - 1.3 The reference or second sample for the pupose of these rules shall mean the second sealed bottle sent to a reference labortary as stipulated below
- 2. Procedure of Despatch and Reporting
 - 2.1 Urine samples split and stored in two sealed containers and bearing the same code, one of which shall be sent to the primary laboratory and the second retained by the club.
 - 2.2 When the urine sample from the first bottle is found to contain a prohibited substance, the club may send the second sealed bottle of the split sample to the refer ence laboratory nominated by the stewards for a confirmation analysis at

the option and cost of the owner trainer concerned and signified in writing to the club.

- 2.3 The reference laboratory shall directly convey to the club the result of the analysis of the second sample.
3. When the reference laboratory confirms the positive findings of the primary laboratory then and only then shall the sample be treated as positive. However, if the split sample is not sent for confirmation in case of the trainer or owner not requesting for confirmation, the sample will be treated as positive on the basis of the positive findings of the primary laboratory
4. (a) If the reference laboratory determines that it is unable to carry out the test for any reason including, there being an insufficient sample volume to make a specific identification of the sample contents or if an act of God, power failure, accident, labour strike, decomposition of the sample for any reason or any other force majeure circumstance prevents the second sample being tested, then the result of the test performed by the primary laboratory shall be conclusive and binding.
- 4.(b) In the event there is insufficient sample volume to make a specific identification of the sample contents or if an act of God, power failure, accident, labour strike, decomposition of the sample for any reason or any other force majeure circumstance prevents the sample from being tested by the primary laboratory, then the club shall send the second sealed bottle of the split sample to the primary laboratory for being tested and the result of the test performed by the primary laboratory shall be conclusive and binding without further testing by the reference laboratory.

5. THE REFERENCE LABORATORIES :

PRIMARY LABORATORIES

1. Equine Forensic Unit, C.V.R.L, Dubai
2. The Hong Kong Jockey Club Laboratory, Hong Kong.

LABORATORY FOR TESTING RANDOM SAMPLES FOR ANABOLIC STEROIDS AND SEX HORMONES

1. Equine Forensic Unit, C.V.R.L, Dubai
2. Federation Nationale des courses Francaises Laboratories France.

REFERENCE LABORATORY FOR CONFIRMATORY ANALYSIS

1. Equine Forensic unit, C.V.R.L, Dubai.
2. The Hong Kong Jockey Club Laboratory, Hong Kong
3. Federation Nationale des courses Francaises Laboratory, France

Rules for witnessing analysis of the confirmatory

sample

1. Upon receipt of the positive report from the primary laboratory, the concerned trainer or owner concerned shall have an option to witness the analysis of the confirmatory sample or to depute a person on his/ their behalf for the same purpose.
 - 1.1 Primary sample for the purpose of these Rules shall mean a sample analysed by the primary laboratory.
 - 1.2 Reference sample for the purpose of these Rules shall mean the second sealed bottle (split sample) sent to the reference laboratory as stipulated in the confirmatory analysis Rules para 2.2
2. The below mentioned persons shall be permitted to attend and witness the analysis of the confirmatory sample.

2.1 The Owner / part owner of the horse; or

2.2 The Trainer of the horse; or

2.3 An authorized registered agent of the Owner/ Part owner. An authorized agent shall mean a person who is duly authorised and registered as an agent with the club before the declaration of the race in which the concerned horse takes part and whose sample is subsequently found positive by the primary laboratory; or

2.4 The veterinarian proposed by the trainer or Owner / Part owner and approved by the Stewards; or

2.5 An analytical chemist proposed by the trainer or owner / part owner and approved by the stewards

3. The club shall not bear any expenses in connection with the witnessing of the analysis of the confirmatory sample. All expenses in connection with the witnessing of the analysis of the confirmatory sample shall be borne by the Owner/Part owner or trainer of the horse as the case may be.

4. The witness shall act in accordance with the rules as mentioned below.

5. Rules for the witnessing analyst :

5.1 The witnessing analyst must be a member of a relevant professional body and in no way involved with the case under consideration.

5.2 The role of the witnessing analyst is to satisfy himself that analysis of the confirmatory sample from a particular horse contains/does not contain the particular drug or its/their metabolites as found in the primary sample by the primary laboratory. This will normally involve taking the following steps :-

(a) Ensuring that the confirmatory sample has been correctly sealed and identified.

(b) Witnessing the analysis of the confirmatory sample. This will normally involve repeating exactly the analysis of the primary sample, but in certain circumstances, changes may be made with the agreement of both the witnessing analyst and the senior analyst of the reference laboratory taking into account rules and practices followed by the reference laboratory.

(c) The witnessing analyst may request that additional samples are analysed. Eg. blanks or spiked samples. The numbers of samples analysed, should be kept to a minimum since these confirmatory analysis are very costly in terms of staff and instrument time. Advance notice must be given if such additional procedure will be required under advice to this club.

(d) The witnessing analyst must contact the reference laboratory through the club before arrival to establish how long the analysis will take. He must then ensure that he allows sufficient time at the laboratory to complete the analysis and must be aware that extratime will be required for additional samples ect.

(e) The witnessing analyst may be shown the analytical data relating to the analysis of the primary sample.

(f) If the witnessing analyst disagrees with the analytical report of the primary sample then he must submit a report to the club giving his opinion on the reason for disagreeing.

5.3 The witnessing analyst has to sign an undertaking to agree to abide by the above mentioned terms.

6. Rules for the non-qualified witness :

The following terms of reference apply to witness who are not qualified in relevant scientific disciplines.

6.1 The witness should ensure that the reference bottle has been correctly sealed and identified.

6.2 The witness may observe the analysis of the confirmatory sample to satisfy himself that the integrity of the confirmatory sample is maintained.

6.3 An unqualified witness should not attempt to interfere in anyway with the analytical process.

6.4 The witness must contact the reference laboratory through the club before arrival to establish how long the analysis will take. He must then ensure that he allows sufficient time at the laboratory to complete the analysis.

6.5 The reference laboratory will report the analytical findings to the club. It is the responsibility of the witness to report to the club any comment he wishes to make concerning the analysis.

6.6 The witness has to sign an undertaking to agree to abide by the above mentioned terms.

1. The class wise list of drugs is detailed under Annexure "A" is not exhaustive and is merely representative.

2. Classification of Drugs pending enquiry : "Whenever any substance or metabolite or isomers of the substance and its metabolite have not been classified in the list of classes appended hereto as guideline, the stewards shall at their discretion, with due technical consultation, decide whether and where that particular substance is to be classified. Such classification will be equally applicable to all cases under/pending enquiry".

LIST BY CLASSIFICATION

CLASS – I : Stimulant and depressant drugs that have the highest potential to affect performance and that have no generally accepted medical use in the racing horse. Many of these agents are Drug Enforcement Agency (DEA) Schedule II substances. These include the following drugs and their metabolites: Opiates, opium derivatives, syn-

thetic opioids, psychoactive drugs, all DEA schedule I * substances, amphetamines and amphetamine-like drugs as well as related drugs, including but not limited to apomorphine, nikethamide, mazindol, pemoline, and pentylenetetrazol.

NON-CLASSIFIED SUBSTANCES					
Substances that are considered to have no effect on the physiology of a racing animal except to improve nutrition or treat or prevent infections or parasite infestations, are not classified. These substances normally include antimicrobials, antiparasitic drugs, and nutrients such as vitamins. Examples of such substances include the following.					
Sulfonamides and trimethoprim:					
Antibiotics:	Penicillins				
	Cephalosporins				
	Chloramphenicol				
	Aminoglycosides				
	Tetracyclins				
	Nitrofurans				
	Metronidazole				
Anthelmintics:	Avermectins				
	Benzimidazoles				
	Piperazines				
	Pyrantel				
	Tetramisole				
Antifungals					
Vitamins:	A, D, E, K, B Vitamins				
	Vitamin C				
Bufotenine					
1.	It is not commercially available in any form				
2.	It is a metabolite of 3-methyl-N-N dimethyltryptamine, found in reed canary grass (and po-				
			tentially other food source plants). It may be found in the urine of horses eating this grass (and potentially other plant foods), and has been reported as a positive finding.		
			Findings of bufotenine in Equine urine is not considered for regulatory action.
